Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or fifty-five ought to be at her finest and fairest. Why isn't it so? The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N.Y.

Best Spring Tonic

Doctors of All Schools Agree That the Best Tonic-Stimulant to Build up the system, Run Down and Weakened by the Long Strain of Winter, and to Drive Out Spring Fever and Malaria is Duffy's Pure Malt Whiskey.

As a tonic and stimulant it is the greatest strength-giver known to science. It destroys disease germs, and by its building and healing properties restores tissues in a gradual, healthy, natural manner. It is a wonderful specific in the treatment and cure of consumption, pneumonia, grippe, bronchitis, coughs, colds, malaria, low fevers, stomach troubles, and all wasting, weakened diseased conditions if taken in time.

We take the liberty of publishing a few of the thousands of letters received from leading doctors extolling the merits of this great spring tonic and invigorator.

Effective Stimulant

In a recent letter A. J. Park, A. M., M. D., of 209 E. Fifth St., Chicago, Ill., wrote: "I am too busy to write my opinion, experience and results of the ministrations of Duffy's Pure Malt Whiskey to weak, feeble and debilitated patients, but I will repeat emphatically and pointedly my confidence in the purity and remedial excellence of your Malt Whiskey. It is a direct, class and most effective stimulant, and meets every indication where a stimulant is needed."

Prescribes It

K. M. Teigan, Ph. D., M. D., of 1129 26th Ave. S., Minneapolis, Minn., wrote in a recent letter: "During the last fifteen years I have frequently, when alcoholic stimulants have been indicated, prescribed Duffy's Pure Malt Whiskey for my patients because it agrees with them better than any other. Without solicitation from you, or any of your representatives, permit me to say that I consider Duffy's Pure Malt Whiskey the purest and very best synthetic product on the market."

Only Pure Whiskey

"I have received the sample of Malt Whiskey and believe it to be the only pure whiskey I have sampled for many years. I have been a victim of indigestion for 20 years, and find that I have received more benefit from Duffy's Pure Malt Whiskey than all the other medicine I have ever taken. I have taken a teaspoonful after each meal, for eighteen days, and I can scarcely find language to express the relief I have gained while I have been taking it."—D. Bodinell, M. D., 227 Archwood Ave., Cleveland, O.

If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as the world's leading medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey, and is sold in sealed bottles only—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for a free illustrated medical booklet and free advice.

News of Manchester

Manchester Bureau, Times-Dispatch, 1102 Hull Street.

Much merriment was caused among a certain element of this city's population yesterday over a case which was tried in the Mayor's court in the morning. R. E. Dalton, a saloon-keeper, was charged with an assault on "Buck" Holloway. Holloway was in the saloon at the time the alleged offense was committed.

The difficulty is said to have followed an altercation, and the charge against the barman was that he threw a raw egg in the face of the customer. The contents of the egg splattered his clothing, and it is said this, more than anything else, set the men at odds, caused the warrant. Mayor Maurice dismissed the case.

"I have heard of eggs, not raw ones, but those of the kind that are ordinarily unfit for use, being thrown at actors," said one citizen in discussing the case, "but this is the first time I ever heard of any kind of an egg being used as an implement of protection."

The quarterly meeting of the Methodist Sunday School Union will be held this afternoon at 2 o'clock in the Central Street Methodist Church. Stole Much Crockery.

Jacob Slater, colored, was arrested last night on a charge of stealing 24 worth of crockery from William H. White, proprietor of an installment house. White alleges that Slater came into his store to buy goods, and that while he had his back turned, the negro proceeded to fill a basket with wares of various kinds.

"He is a Richmond negro," says a police officer, "because I don't believe there is a negro in Manchester mean enough to be guilty of such a trick. I believe Slater came over here expecting to get by with his crime."

Slater will be tried in the Mayor's Court to-morrow morning.

Sublett, will conduct the first meeting. His subject will be "The Unconquered." The promises of other ministers have been secured to preside at other meetings during the week, and in one instance one of the members will take charge.

Personals and Briefs.

The condition of John G. Bohannon, of 113 East Fourth Street, who was injured by Robert Hill several days ago, while engaged in digging a well, is greatly improved. He will be out early in the week. Bohannon narrowly escaped death when a bucket fell into the hole, striking him a glancing blow on the side of his head.

No matter before the citizens is being discussed with more enthusiasm than that to convert the Dixie Athletic Association into a Young Men's Christian Association. Several citizens now have offered financial assistance, and the movement is finally agreed upon. It is estimated that a campaign for funds will be held in the near future.

Manchester has no such organization.
